

Canvas Access for Non-WolfMail users

No WolfMail account? No problem!

If you are using an email account other than a WolfMail account, follow these instructions to register your email address for full access to the information in the PLA course.

1. Go to <https://stritch.instructure.com/enroll/GFLRB4>
2. Enter your email address for the login field. (This would be your private email address if you do not have an active Stritch account.)
3. Click on *I am a New User* and enter your name.
4. Click on *Enroll in Course*.
5. This should take you to the Dashboard with a PLA course shell box. Click on the 'Account' tab on the far left.
6. Click on 'Settings'.
7. There will be a link for 'verify email' option. You will need to click on that to have a verification message sent to the email you provided.
8. Log into your email and follow the verification link. This will take you to a screen to set up a password for your Canvas account.
9. Once you set up a password, you will be able to follow the regular [canvas link on our main webpage](#) to log in.
